

**Salaried GP with a view to Partnership  
Monkfield Medical Practice,  
Cambourne, CAMBRIDGE, CB23 6HL**

Monkfield Medical Practice (MMP) has an amazing opportunity for a GP who could be interested in a new exciting partnership position. MMP has a young multicultural patient population of 12000 and is continuing to grow. As a result we looking for a strong experienced GP who has the vision to seize opportunities and the potential to help expand the practice and lead the team through change, ensuring that staff are supported and work together to provide safe sustainable care.

The successful post holder person will work alongside our existing two Partners to form a leadership team that ensures practice policy and process tie together to meet the Patients demand making full use of technology to drive out inefficiencies.

As a GP Partner you will be required to:

- Help to design, develop and deliver Safe sustainable health care to the population of Cambourne
- Identify and prioritise improvements on how we deliver care including working with our PCN Practice can meet the needs of its patients
- Support the existing leadership team to manage our teams and further develop the supportive environment we have created.
- Help to audit and evaluate performance and embed best practice

Ideally a full time position with appropriate time allocated to general practice and leadership.

For informal visits or more information, contact:  
Dr Ruwani Siriwardena on 01954 282 153  
E-mail: [ruwani.siriwardena@nhs.net](mailto:ruwani.siriwardena@nhs.net)

To apply, please send you CV to the Practice Manager Hannah Crisford [h.crisford@nhs.net](mailto:h.crisford@nhs.net)

**Please note:** We are looking for a start date as close to the 1st October 2020 as possible
